

Elyar Fox, Do It All Over Again

This ones for a girls I like loosing minds
They sip the vine
And than they loose it?s minds
This ones for a girls keep me all the night
She works me overtime
House working all the time

So hay girl
So hay girl
Why you hesitate girls?
?Coz I got sit free
And rock by me tonight
Wait girl,
Wait girl
Why you?re complicated girl?
I can..
I got blow it tonight

So If I lose my head tonight
Don?t forget to tell the morning lie
To wake me up
And do it all over again /6x
