

Elysian Fields, Lady In The Lake

Used to go skinny dipping
Trapping love in a lake
Wading slowly
Gripping sun with a rake
Now the pool in your heart is frozen
And i never did learn how to skate
But it doesn't matter anyway
I'm on the wrong side of the water
Oh wont you listen to the lady in the lake
We drifted swiftly
Paper sails in the breakers
We buried treasure
There was nothing to take
And the pool in your mouth is frozen
And I never did learn how to skate
But it doesn't matter anyway
I'm on the wrong side of the water
Oh wont you listen to the lady in the lake
No it doesn't matter anyway
I'm on the wrong side of the water
She's frozen love, as you left her
Out of whos womb came the ice
And the hoary frost of heaven
Who hath gendered it
The waters are hid as with a stone
And the face of the deep is frozen
No it doesn't matter anyway
I'm on the wrong side of the water
Oh wont you listen to the lady in the lake
No it doesn't matter anyway
I'm on the wrong side of the water
She's frozen love as you left her
Fish out the lady in the lake
