

Elysium, Aeolian Choreography

neutralize this neural mess
rundown rancid inertia
containin' liquid doubts
bury charity terms
catch 22 curious disciple
an alcoholic ego drama
decadence nemesis
the ordinary hunt
tread not the path of the strong
parasite - failure collector
discouraged performer
in intoxicating surroundings
aeolian choreography
stranger figures weave
quality noble regress
charmin' song of the damned
synthetic chloride deadlock
in the octopus' garden
mechanic domino action
old has-beens' deja-vu
in the venomous talk shows
beggars' banquet - hall of fame
gyroscope - out of order
just an exhausted tragedian
extended amok threat
red alert - shockin' warn
subtitles' indistinct
unbalanced microcosm
