

# Embrace, Ashes

I've waited, and given the chance again,  
I'd do it all the same, but either way  
I'm always outplayed, up on your down days  
I left it the right way, to start again  
Now watch me rise up and leave  
All the ashes you made out of me  
When you said that we were wrong  
Life goes on  
Just look at how long I've agreed  
Now watch me rise up and leave  
All the ashes you made out of me  
When you said that we were wrong  
Life goes on  
Just look at how long I've agreed  
Out of place, like a gem on a coalface  
Lost on the right way, it's all the same  
'Cause I've had my hopes raised, riding the wrong waves  
Scared when you felt safe to start again  
Now watch me rise up and leave  
All the ashes you made out of me  
When you said that we were wrong  
Life goes on  
Just look at how wrong I could be  
Now watch me rise up and leave  
All the ashes you made out of me  
When you said that we were wrong  
Life goes on  
You blew me away  
Aaaaaaaaaaaaaaaaaaaaaay  
Aaaaaaaaaaaaaaaaaaaaaay  
Aaaaaaaaaaaaaaaaaaaaaay  
Now watch me rise up and leave  
All the ashes you made out of me  
When you said that we were wrong  
Life goes on  
Just look at how wrong I could be  
Now watch me rise up and leave  
All the ashes you made out of me  
When you said that we were wrong  
Life goes on  
You blew me away  
Aaaaaaaaaaaaaaaaaaaaaay  
Aaaaaaaaaaaaaaaaaaaaaay  
Aaaaaaaaaaaaaaaaaaaaaay  
I sink like a stone, I lost my control  
I sink like a stone, I lost my control  
I sink like a stone, I lost my control
