Emeli Sandé, Extraordinary Being

you are what god imagined you are true perfection baby, you're msde of stars don't let nobody tell you different you're a lot of soul, mixed with a lof of magic look how the sky turns gold every time you're dancing you deserve all the love why you don't you let it in? don't punish who you are for who once you have been you've got a heart of fire it's gonna take you higher just let it flow look at you glow

you gotta know that you're an extraordinary being yes, you're an extraordinary being

see your anatomy it's made up of those before you ols as your history you're standing upon my shoulders see it, getting too high for cowards look how you're flying iup check out your superpowers you deserve peace and love you deserve all the laughter you are one of kind you deserve happy ever after how the tises are changing feel how your heart is blazing you gotta breathe you gotta see you gotta believe

that you're an extraordinary being yes, you're an extraordinary being that you're an extraordinary being yes, you're an extraordinary being
