

Emerson Drive, Waitin' On Me

Let me set you straight just in case there's a trace of doubt
Since you came along I know what it's all about
If it were up to me, I know it's not but if it was
I'd skip formalities and we would be in love

Chorus:

Baby are you thinkin' what I'm thinkin'?(Are ya thinkin' what I'm thinkin')
'Cause I'm thinkin' maybe we could make it you and me
Come a little closer, hand your heart over and see
Precious time's a wastin' baby if you're waitin' on me

I've never been torn up, turned inside-out
I'm feelin' a feelin' that I never have felt till now
If it were up to me, I know it's not but if it was
I'd skip formalities and we would be in love

Chorus

To be the one you run to when your tears fall down
I'll always be there for you like I am right now

Chorus
