

# Emerson, Lake & Palmer, A Time And A Place

There is a place, a time and a space  
Just no one can trace, that none one can trace  
Somewhere a hill, where things are still  
Rain water spill, just rain water spill  
Sleep in a dream of butter milk cream  
You dance on a beam, dancing on a beam

Save me from this shallow land, take me out of temper's hand  
Drag me from the burning sand, show me those that understand

Save me from this shallow land, take me out of temper's hand  
Drag me from the burning sand, show me those that understand

Rest in shade, no sound has made  
Where silence is played, sound of silence played
