

Emerson, Lake & Palmer, Brain Salad Surgery

Brain Salad Surgery
It will murder you, it murdered me
We made it for our enemy
Brain Salad Surgery

We've got a ballad
About a salad brain
with assurgence
in a dirty bit again.

Brain Salad Surgery
It will work for you, it works for me
Brain rot perversity
Brain Salad Surgery

We've got a ballad
About a salad brain
with assurgence
in a dirty bit again.
