

Emigrate, Temptation

Don't you ever feel
you're sorry
don't you ever wish
the sky could open up
all I do is going nowhere
and I want to go back home

Don't you know
that you're so special
don't you ever cloud
your thoughts like falling rain
wonder if I'm going somewhere
still I gotta get back home

Temptation
Leading me astray
Frustration
A time will come to pay

Don't you want to know my story
guess I could explain it if I tried
I don't want to keep expanding
and I'm sorry that I lied

Temptation
Leading me astray
Frustration
A time will come to pay

Temptation
Leading me astray
Frustration

Don't you want
to make me over
don't you feel
that everything's a test
want to disappear inside you
because that's the home
I feel the best

Temptation
Leading me astray
Frustration
A time will come to pay

Temptation
Leading me astray
Frustration
A time will come to pay
