Emilie Autumn, Willow (Demo)

Willow, weep for me Bow your tallest tree Down to the infamous hands Of someone no one understands

I'm not unique in this It's based on none but my mistake And as I lie awake Thinking of all the hearts I'd happily break

It's cruel I know At least they tell me so Well someone lock me up and throw away the key Because I'm not ashamed, oh no Oh, willow

That I only write love songs
To those whom I don't love
I only reach for him
Who's tied to someone else's glove
That which I hold inside
Which I admire and deride
Which I protect and hide is yours

Willow, weep for me
Don't think I don't see
This life I'm living in two
But still it's something I must do
I'm not unique in this
Nor am I special, sweet or kind
I court a thousand smiles
Yet I keep my own to hide behind

It's cruel I know At least they tell me so Well someone lock me up and throw away the key Because I'm not ashamed, oh no Oh, willow

That I only write love songs
To those whom I don't love
I only reach for him
Who's tied to someone else's glove
That which I hold inside
Which I admire and deride
Which I protect and hide is yours

Slander and dissention
They're parlor games to me
Papers overrun with lies too mad to mention
You say they never hurt you
No consequence, I'm happy
We're much too far above it all
But oh no, that's not true

These wicked pastimes take their toll These tyrant vices break your soul Deliver me from all I am And all I never want to be

I love you (Oh willow, willow, willow) Doubt me not Rewrite this plot for all to see And I only write love songs
To those whom I don't love
I only reach for him
Who's tied to someone else's glove
That which I hold inside
Which I admire and deride
Which I protect and hide is yours

Bend your branches to the ground and hold me close

Let me harmonize with all we knew Share your sympathy and weep for me Oh, willow, heal the hearts I've broken Make me pure and start my song anew

For I only write love songs
To those whom I don't love
I only reach for him
Who's tied to someone else's glove
That which I hold inside
Which I admire and deride
Which I protect and hide is yours
