

Emilie Simon, Desert (English Version)

Where is sea ?
I don't know why I was just looking for the sea,
But the only thing I found was the desert,
A desert around me...

What can I see ?
You closed my eyes when I just need to go and see...
If you want me to be blind, I will stay here,
With this desert around me...

They world I can see is there nowhere land without you, I'm a nowhere girl
In the desert, in the desert
With you

Where is sea ?
I don't know why I was just looking for the sea,
But the only thing I found was the desert,
A desert around me...

Where is sea ?
I'am alone, I'am dreaming of the sea,
But you're not here, next to me...

(Break)

They will I can see is there a nowhere land without you, I'm a nowhere girl
In the desert, in the desert
With you....
