

Emily Haines, Mostly Waving

Young, thought as I was
Thought as I was
Thought as I was

Done, thought as I was
Thought as I was
Thought as I was

Get,
Get the line down.
Get the line down.
Get the line down.
Don't elaborate like that
You frighten off the frat boys,
Use your baby talk.
Frighten off, frighten on

This fall the blues are brown.
So turn your horse around now.
The blues are brown.
Missing, mostly waving,
Thought as I was
Done, thought as I was
Young, thought as I was
