

Emily Jane White, Hole In The Middle

Everybody's got a little hole in the middle,
Everybody does a little dance with the devil,
Everybody's got a little hole in the middle,
Everybody does a little dance with the devil,

And you know I'm evil now, and you shout it loud and proud,
Singing born in the U.S.A.
And you know I'm evil now, and you shout it loud and proud.
Singing born in the U.S.A.

And I play with my voodoo doll,
Stick those pins and drive them in,
Singing born in the U.S.A.

And I play with my voodoo doll,
Stick those pins and drive them in,
Singing born in the U.S.A.

Oh and everybody's got a little hole in the middle,
Everybody does a little dance with the devil.
And everybody's got a little hole in the middle,
Everybody does a little dance with the devil.

And you know I'm evil now, and you shout it loud and proud,
Singing born in the U.S.A.
And you know I'm evil now, and you shout it loud and proud,
Singing born in the U.S.A.
