

Emily Lily, Both worlds

I'm different and it isn't counting
Because differently oneself from familiar
with only knick-knacks
The fact that I have the plenty
of concerts, of routes, of interviews
But the fact that I am feeling is best fulfilled
My two different worlds
Chrus: Both worlds, oh yeah!
It is best at them
he has every of them one's virtues!
I thought that it would be differently
But these are only my anxieties
Really it is fantastically
I'm ordinary, with the girl next door
I'm going to school, I am studying
At least it boring!
I can be bored, but also have
thousands of classes
But still I know that it won't be possible to replace it!
My two different worlds
Chrus: Both worlds, oh yeah!
It is best at them
he has every of them one's virtues!
I thought that it would be differently
But these are only my anxieties
Really it is fantastically
I'm a girl, you know
I'm a lucky girl
When you can see me
You can think that
trying lives
trying to know, who I am?
who I am? oo-oo
Chrus: Both worlds, oh yeah!
It is best at them
he has every of them one's virtues!
I thought that it would be differently
But these are only my anxieties
Really it is fantastically
