

# Emily Lily, I got everything

You cannot know  
I am different from everyone  
living in most ordinary world  
trying to believe  
trying to want  
Trying to just be who I am  
Who I am  
I got everything. For me it will already be enough  
I am happy  
so everything what for myself I dreamt of  
Not always everything is okay  
i'm a lucky girls  
Whom dreams became real for  
But apart from love  
I got everything  
You cannot think  
we are perfectly similar  
twins who are searching for love  
trying to escape  
trying to find  
Trying to just be who I am  
Who I am ...  
I got everything. For me it will already be enough  
I am happy  
so everything what for myself I dreamt of  
Not always everything is okay  
i'm a lucky girls  
Whom dreams became real for  
But apart from love  
I got everything  
So what you see  
is only a half of story  
There is still other side for me  
I'm the girl you know  
But I'm someone else too  
If you only knew  
that's all is crazy  
But I'm alright  
I got everything. For me it will already be enough  
I am happy  
so everything what for myself I dreamt of  
Not always everything is okay  
i'm a lucky girls  
Whom dreams became real for  
But apart from love  
I got everything
