

# Emily Lily, The last snow

la la la la la 4x

Once bitten and twice shy

I keep my distance

But you still catch my eye

Tell me baby

Do you recognize me?

Well

It's been a year

It doesn't surprise me

Happy Christmas

I wrapped it up and sent it

With a note saying "I love you";

I meant it

stop!

Be through with these nonsenses!

The last snow! Ready?

ooooow

ooooow

ooooow

ooow

Kind of a spring as if the winter!

Like the sun but here snow!

Everything good, when well is ending  
and here snow

OOW!

It very much is disturbing

It is very getting mixed up

He isn't white, white such a sun

but snow why why

Chorus: The last snow! Oh yes!

I'm ready to get rid of it

Last his hill!

He will tread him out! Oh yes!

He will finish off with the shovel!

Perhaps at one time I will change my mind

But now I'm jumping on him

Still only little, but we are starting the action!

Chorus: The last snow! Oh yes!

I'm ready to get rid of it

Last his hill!

He will tread him out! Oh yes!

He will finish off with the shovel!

la la la la la 4x

Chorus: The last snow! Oh yes!

I'm ready to get rid of it

Last his hill!

He will tread him out! Oh yes!

He will finish off with the shovel!
