

# Emily Stine, On & On

I kept the army held at bay without you and waited for the day you'd say you'd come to take my place  
Do you feel wrong about leading me on & on & on & on & on & on &  
I took it off to put you on and now my confidence is gone tell me how was I so wrong I laugh a lot w  
Do you feel wrong about leading me on  
I looked around and found that you were playing with the enemy those suspicious inquiries were all  
on & on & on & on
