[50 Cent] Yeah...

[Intro: 50 Cent]

Who run it?

You know, you acting like you don't know

We run it

You know but you acting like you don't know

Who run it?

You know, you acting like you don't know

We run it

You know but you acting like you don't know

You know, you acting like you don't know

I tear the club up fo' sho'

This flow is gon' bring mo dough

And you know but you acting like you don't know

[50 Cent]

Now homie I say I run it (run it) cause I'm in control

Hypnotic, Hennessey, a couple shots of Patron

I have you feeling aight, I get you high as a kite

Party popping shawty says she coming with me tonight

I ain't shoulder leaning, I ain't snapping and popping

Either I'm bobbin ma head or I'm just standing their watching

I'm a hustler I hustle, you can tell that I'm paid

And I protect what I got, I'm in the house with my blade

Nigga you front you gone get it, OK now maybe I said it

Cause I want you to triddy, yeah I be on that shitty

You should see when I'm stunting, I flash the stones to be wanting

Push the whip, see me rolling, you can tell that I'm holding

I'm just doing ma thang, you know the Units the game

I got my grimy Shady with me you front you gonna have to get me off your ass

I pay the lawsuit and laugh (haha)

It's not a big deal it's nothing but some cash (let's go)

[Chorus: 50 Cent]

Who run it?

You know, you acting like you don't know

I tear the club up fo' sho'

This flow is gon' bring mo dough

And you know but you acting like you don't know

Who run it?

You know, you acting like you don't know

I tear the club up fo' sho'

This flow is gon' bring mo dough

And you know but you acting like you don't know

[Eminem]

When me and Fif got together to do this music

The more we became enveloped we just developed a fellowship through it

It's no pretend shit, it's friendship, me nemesi is su nemesi

Ain't for him, it's just media, see to them it's just images

But this shit is no gimmicks, this is blood in and blood out

When there's beef you jus' gotta know when to butt in and butt out

If there's a problem we solve it, if we don't resolve it

It usually just evolves into one big brawl and we all get involved in it

We should all get a merit, this much beef we inherit

And wear it like a badge with honor, pass it around and share it

And let it go to whoever's holding the most current beef on their shoulders

And their soldiers got their backs 'til it's over

But tonight, we ain't coming here to beef with nobody

We came to party, Banks, Cashis and Mr. Ferrari

So it's Shady Aftermizat back in that ass, you wizzass

Come hizzon what kinda fuzukin quization is that

[Chorus: 50 Cent, Eminem]

Who run it?

You know, you acting like you don't know

I tear the club up fo' sho'

This flow is gon' bring mo dough

And you know but you acting like you don't know
Who run it?
I say you know, you acting like you don't know
I tear the club up fo' sho'
This flow is gon' bring mo dough
And you know but you acting like you don't know
[Ca\$his]
Pistol play ricochet, see where the victim lay
Slumped over bleeding J.F.K
Hays K to your chest plate cave
I ride to the death, do you rep that way?
Forever ima be a Shady 7-4 gangsta
Plus I survive everything you got in that chamber
I thrive off of danger, jumping in all beef
You keep talking shit now the squad called me
[Lloyd Banks]
Enough holding back the steam, Em let off a magazine
Dappadon Cappa queen mixed in with Cashis creams
Started off with half a dream, developed into what you see
Telling ain't my cup of tea, can't tell I'm a fucking G
I'm on automatic when I'm at it, start static
And you splattered, shit shattered, I'm a walking bitch magnet
Spit it how I live it, live it all the way to the limit
And I'm always on my pivot for my digits, you dig it?
[Chorus: 50 Cent]
Who run it?
You know, you acting like you don't know
I tear the club up fo sho
This flow is gon' bring mo dough
And you know but you acting like you don't know
Who run it?
You know, you acting like you don't know
I tear the club up fo sho
This flow is gon' bring mo dough
And you know but you acting like you don't know
Who run it?
