

Eminem, All You Got (skit)

Hah, hah

Then why you doin' this?

Cause you own me

How? 'Cause I gave you everything

What?

You what did you do? You walked away for me

Yeah, you fucking blind to see I was good for you

I made you, you will nothing to you found me

How many times you tryna kill me?

I always come back

You cannot grow me, you cannot think me

I'm all you got
