

# Eminem, Cruz

I'm leaving today  
Living it, leaving it to change  
Slowly drifting into a peaceful breeze  
Tongue tied and twisted are all my memories  
Celebrating a fantasy come true  
Packing all my bags, finally on the move

Chorus

I'm leaving today  
Living it, oh i'm leaving it to change  
As I'm driving i'm captured by the view  
So much beauty the road becomes my muse  
The heat is rising and my hand surfs through the wind  
Cool calm collected is the child that lies within, see

Chorus x 2

But somehow I miss it, I think I'll really miss it

One day

I turn up the radio and I'm feeling like I've never felt before  
Turn down the memories of yesteryears and broken dreams I bring

Finally free

Slowly drifting

Into a peaceful breeze

Chorus x 3

Living it, leaving it

Said I'm living it

I'm leaving it

Living it, leaving it

To change

But somehow I miss it, I think I'll really miss it

One day
