

# Eminem, Drug Ballad

[Girl] Yeaah, hahahaha...whooooo, shit!

[Em] (aight)

[Eminem] Guess what? I ain't coming in yet...

I'll come in a minute

[Eminem] Ayo...This is my love song...it goes like this

[Eminem]

Back when Mark Wahlberg was Marky Mark

This is how we used to make the party start

We used to mix Hen' with Bacardi Dark

And when it, kicks in you can hardly talk

And by the, sixth gin you're gonna probably crawl

And you'll be, sick then and you'll probably barf

And my pre-diction is you're gonna probably fall

Either somewhere in the lobby or the hallway wall

And everything's spinning

You're beginin' to think women

are swimming in pink linen again in the sink

Then in a couple of minutes that bottle of Guinness is finished

You are now allowed to officially slap bitches

You have the right to remain violent and start wilin'

Start a fight with the same guy that was smart eyin' you

Get in your car, start it, and start drivin'

Over the island and cause a 42 car pile-up

[Em's spaceman voice]Earth calling, pilot to co-pilot

Looking at the life on this planet, sir, no sign of it

All I can see is a bunch of smoke flyin'

And I'm so high that I might die if I go by it

Let me out of this place

I'm outta place

I'm in outer space

I've just vanished without a trace

I'm going to a pretty place now where the flowers grow

I'll be back in an hour or so

[Chorus]

[Eminem]

'Cause every time I go to try to leave

Some geek's pullin' on my sleeve

I don't wanna, but I gotta stay

These drugs really got a hold of me

'Cause every time I try to tell them "no";

They won't let me ever let them go

I'm a sucka all I gotta say

These drugs really got a hold of me

[Eminem]

In third grade, all I used to do

Was sniff glue through a tube and play Rubic's cube

17 years later I'm as Rude as Jude

Scheming on the first chick with the hugest boobs

I've got no game

And every face looks the same

They've got no name

So I don't need game to play

I just say whatever I want to whoever I want

Whenever I want, wherever I want, however I want

However, I do show some respect to few

As ecstasy got me standing next to you

Getting sentimental as fuck spillin' guts to you

We just met

But I think I'm in love with you

But you're on it too  
So you tell me you love me too  
Wake up in the morning like "yo, what the fuck we do?"  
I gotta go bitch  
You know I have stuff to do  
'Cause if I get caught cheatin' then I'm stuck with you  
But in the long run  
These drugs are probably going to catch up sooner or later  
But fuck it, I'm on one  
So let's enjoy  
Let the X destroy your spinal cord  
So it's not a straight line no more  
'Til we walk around looking like some wind-up dolls  
Shit's sticking out of our backs like a dinosaur  
Shit, six hits won't even get me high no more  
So bye for now  
I'm going to try to find some more

[Chorus]

[Eminem]

That's the sound of a bottle when it's hollow  
When you swallow it all wallow and drown in your sorrow  
And tomorrow you're probably going to want to do it again  
What's a little spinal fluid between you and a friend? Screw it  
And what's a little bit of alcohol poisoning?  
And what's a little fight?  
Tomorrow you'll be boys again  
It's your life  
Live it however you wanna  
Marijuana is everywhere  
Where was you brought up?  
It don't matter as long as you get where you're going  
'Cause none of the shit is going to mean shit where we're going  
They tell you to stop, but you just sit there ignoring  
Even though you wake up feeling like shit every morning  
But you're young  
You've got a lot of drugs to do  
Girls to screw  
Parties to crash  
Sucks to be you  
If I could take it all back now, I wouldn't  
I would have did more shit that people said that I shouldn't  
But I'm all grown up now and upgraded and graduated  
Did better drugs and updated  
But I've still got a lot of growing up to do  
I've still got a whole lot of throwing up to spew  
But when it's all said and done I'll be 40  
Before I know it with a 40 on the porch telling stories  
With a bottle of Jack  
Two grandkids in my lap  
Babysitting for Hailie while Hailie's out getting smashed

[Chorus 2x]

[Same as previous, but 2nd time the last line is repeated like this]

Drugs really got a hold of me  
They really got a hold of me  
'Cause drugs really got a hold of me  
They really got a hold of me
