

# Eminem, Eminem Vs Lotto(Freestyle Version)

[Lotto]

(spoken)

Yo, it's time to get rid of this coward once and for all.

Im sick of this motha fucka! Check this shit out!

(Rap)

I'll spit a racial splur, honky, sue me!

This shit is a horror flick,

but the black guy doesn't die in this movie!

Fuckin' wit Lotto, dawg, u gotta be kiddin!

That makes me believe u really dont have a interest in livin!

U think these niggas gonna feel the shit u say?

I got a betta chance joining the KKK.

Or some real shit, though, I like u

Thats why I didn't wanna have to be the one u commit suicide to

Fuck 'Lotto,' call me your leader

I feel bad that I gotta murder that dude from "Leave It To Beaver"

I used to like that show, now u got me in "fight back" mode

But oh well, if u gotta go, then u gotta go!

I hate to do this, I would love for this shit to last

So I'll take pictures of my rear end so u wont forget my ass

And all's well that ends well, ok?

So I'll end this with a "FUCK U, but have a nice day!"

(Eminem)

Ward, I think u were a little hard on the Beaver

So was Eddie Haskal, Wally, and Ms. Cleaver

This guy keeps screamin', he's paranoid!

Quick, someone get his ass another steroid!

"Blahbity bloo blah blah blahbity bloo blah!"

Is that a tank top, or a new bra?

Look, Snoop Dogg just gat a fuckin' boob job!

Didn't u listen to the last round, meat head?

Pay attention, you're sayin the same shit that he said!

Matter fact, dog, here's a pencil

Go home, write some shit, make it suspenseful,

And dont come back until something dope hits u

Fuck it! U can take the mike home with u!

Lookin' like a cyclone hit u

Tank top screamin', "Lotto, I don't fit u!"

U see how far those white jokes get u

Boy's like "How Vanilla Ice gonna diss u?"

My motto: Fuck Lotto!

I get the 7 digets from your mother for a dolla tomorrow!
