ha ha you thought you could get rid of me but u cant! im hear to stay  
yeah im white but i never use that as an excuse  
thats why im cleaning up your lyrics like a bottle of doushe  
Stanky ass lyrics Stanky ass rhymes  
i bust the shit out of all your rhymes  
we gone party like it's 1999  
i run the spot and i leave in the streets  
you wanna battle me im in the 3-1-3.  
You think it's funny i aint Vanilla ice  
so when i grab the mic you betta think twice  
cuz i'll diss so bad i'll end your life  
better yet you see me you better commit suicide  
cuz i'll make sure this is a verbal homicide  
Whoever said you can rap Damn they lied  
Cuz you can't fuck my raps they come to quick and to fast  
This is Two Man race Sorry but you came in Last.
