Eminem  
Fucking Crazy

Hi!

Oringinal bad boy on the case cover your face  
Came in the place blowed and sprayed Puffy with mace  
I laced your weed with insect repellent better check the smellin'  
Eminem starts with an E, better check the spellin' with a capital  
Sombody grab me a snapple  
I got an asprin capsule trapped in my adam's apple  
Sombody dropped me on my head and I'm sure that my mother did it  
But the bitch won't admit it was her  
I slit her stomach open with a scalpel when she was six months  
And said I'm ready now bitch, ain't you feelin' these kicks cunt?  
The world ain't ready for me yet, I can tell  
I'll probably have the cell next to the furnace in hell  
I'm sicker then sperm cells with syphalis germs  
And I'm hotter than my dick is when I piss and it burns  
I kick you in the tummy until you sick to your stomach  
And vomit so much blood that your clothes stick to you from it  
Hit you in the head with a brick till you plummet  
If ya'll don't like me you can suck my dick till you numb it  
And all that gibberish that you were spittin' you need to kill it  
cuz your style is like dying in my sleep, I don't feel it

(Chorus)

Cause any man who would jump in front of a minivan  
For twenty grand, a bottle of pain pills and a minithin  
Is fuckin' crazy, you hear me?  
Is fuckin' crazy (Hello? Hi)

Cause any man who would jump in front of a minivan  
For twenty grand, a bottle of pain pills and a minithin  
Is fuckin' crazy, you hear me?  
Is fuckin' crazy (Hello? Hi)

My mic's grillin' you, staring you down with a grin to grin  
I'm Eminem, you're a fag at a women's gym  
I'm Slim, so Shady is really you're fake alias  
To save me with in case I get chased by space aliens  
A braniac with a cranium packed full of more uranium than a maniac Saudi Arabian  
A highly cumbustible head, spasmodic strapped to a Craftmatic adjustable bed  
Laid up in the hospital in critical condition  
I flat lined, jumped up and ran for the mortician  
High speed, IV full of Thai weed, lookin' Chinese  
With my knees stuck together like siamese  
Twins, joined at the groin like lesbians  
Pins and needles hyperdermic needles and pins  
I hope God forgives me for my sins  
It probably all depends on if I keep on killin' my girlfriends

(Chorus)

Cause any man who would jump in front of a minivan  
For twenty grand, a bottle of pain pills and a minithin  
Is fuckin' crazy, you hear me?  
Is fuckin' crazy (Hello? Hi)

Cause any man who would jump in front of a minivan  
For twenty grand, a bottle of pain pills and a minithin  
Is fuckin' crazy, you hear me?  
Is fuckin' crazy (Hello? Hi)

Last night I OD'd on rush, mushrooms and dust  
And got rushed to the hospoital to get my system flushed (shucks)

I'm an alcoholic, and that's all I can say  
I call in to work cause all I do is frolick and play  
I swallow grenades, take a bottle of water a day  
A Tylenol 3, and talk about how violent I'll be  
Gimme eleven Excedrin and my head'll spin  
Medicine'll get me revvin' like a 747 jet engine  
Scratch my balls till I shred the skin  
Doctor check this rash, look how red it's been  
It's probably Aids, forget it then  
I strike a still pose and hit you with some ill flows  
That don't even make sense, like dikes using dildos  
So reach in your billfold for ten duckets  
And pick up your Slim Shady shit is on rucus  
Somethin' somethin' somethin', I get weeded  
My daughter scribbled over that rhyme, I couldn't read it

(Chorus)

Cause any man who would jump in front of a minivan  
For twenty grand, a bottle of pain pills and a minithin  
Is fuckin' crazy, you hear me?  
Is fuckin' crazy (Hello? Hi)

Cause any man who would jump in front of a minivan  
For twenty grand, a bottle of pain pills and a minithin  
Is fuckin' crazy, you hear me?  
Is fuckin' crazy (Hello? Hi)
