

Eminem, Guess Who's Back (skit)

Music From "Tobey" plays in the background

Eghh...

Been waiting a long time for this shit

I thought you got rid of my ass, huh?

Eghh...

Half a bag of Viagra...

I'm gonna reach around and grab ya

Bruh

Sometimes I wonder if my homie's gay

Wait, where'd everybody go?

They left me again

Eh, half a bag of Viagra...

I'm gonna reach around and grab ya...
