

# Eminem, Haylies Song

dadadada  
yo i cant sing  
i feel like singing  
i wanna fuking sing  
cuz im happy  
yea im happy  
ha i got my baby back  
some days i sit  
staring out the window  
watching this world pass me by  
some times i think theres nothing to live for  
i almost break down and cry  
sometimes i think im crazy  
im crazy oh so crazy  
why am i here  
am i just wasting my time  
but then i see my baby  
so lately im not crazy  
it all makes sence when i look into her eyes  
(chorus)  
cuz sometimes it feels like the worlds on my shoulders  
everyones leaning on me  
cuz sometimes it feels like the worlds almost over  
but then she comes back to me  
my baby girl  
keeps getting older  
i watch her grow up wit pride  
people make jokes  
cuz they dont understand me  
they just dont see my real side  
i act like shit dont faze me  
inside it drives me crazy  
my insecuraties could eat me alive  
but then i see my baby  
so leatly im not crazy  
it all makes sence when i look into her eyes  
(chorus)  
cuz sometimes it feels like the worlds on my shoulders  
everyones leaning on me  
and sometimes it feels like the worlds almost over  
but then she comes back to me  
man if i could sing  
id keep singing this song to my daughter  
if i could hit the notes id blow something as long as my father  
to show her how i feel about her  
how proud i am that i got her  
cotten a daddy im so glad that her mom didnt abort her  
now u probably get this picture  
from my public persona  
that im a pistle packing drugaddict that brags on his momma  
but i wanna just take this time out to be perfectly honest  
cuz theres alot of shit i keep bottled  
that hurts deep inside of my soul  
and just know that i grow cold  
that the older i grow  
this bolder on my shoulder gets heavy and harder to hold  
and this load is like the weight of the world and  
i think my neck is breaking  
should i give up  
or try to live up to theses expectations  
now look  
i love my daughter more then life itself  
but i got a wife thats determind to make my life living hell  
but i handle it well

giving the surcomstances im down  
so many chances man its too bad could of had someone else  
but the years that i wasted  
is nothing to the tears that if tasted  
so hears what im facing  
three fellonies  
six years of probation  
ive went to jail for this women  
ive been to back for this women  
ive taken backs of peoples backs and over backwards of for this women  
man i should have seen it coming  
when i stick my penis something  
when i ripped the prina fuked  
if i had seen what she was fucking  
but fuck its over  
theres no more reasons to cry no more  
i got my baby baby the only lady that i adore HAYLEY  
so sianarra try tomorrow nice to know ya  
my babies traveled back to the arms of her rightfull owner and  
suddenly it seems like my shoulder blades have just shifted  
its the greatest gift you can get  
the weight has been lifted  
(chorus)  
now it dont feel now the worlds on my shoulder  
everyones leaning on me  
cuz my baby knows that her daddy's a souldier  
nothing can take her from me whoo  
told you i cant sing  
oh well  
i tried
