

Eminem, I Love You Mamma

I love you mamma
I really miss you now,
but tonight I'm on a big tour
mamma you gotta come with me
gotta see what it's like
you gotta meet the label
see what it's all about
It's Dallas today
who knows where tomorrow
I gotta write
but I don't have any time
I want you with me mamma
mamma you gotta come with me
gotta see what it's like
you gotta meet the label
see what it's all about
I love you mamma
you gotta come with me
you gotta see what it's like
this is so gay!
(this is not by Eminem it is by me his twin sister Alema)
