

# Eminem, Joe Nichols-The Impossible

My dad chased monsters from the dark  
He checked underneath my bed  
He could lift me with one arm  
Way up over top of his head  
He could loosen rusty bolts  
With a quick turn of his wrench  
He pulled splinters from his hand  
And never even flinched  
In thirteen years I'd never seen him cry  
But the day that grandpa died, I realized  
Unsinkable ships sink  
Unbreakable walls break  
Sometimes the things you think would never happen  
Happen just like that  
Unbendable steel bends  
If the fury of the wind is unstoppable  
I've learned to never underestimate  
The impossible  
Then there was my junior year  
Billy had a brand new car  
It was late, the road was wet  
I guess the curve was just too sharp  
I walked away without a scratch  
They brought the helicopter in  
Billy couldn't feel his legs  
Said he'd never walk again  
But Billy said he would and his mom and daddy prayed  
And the day we graduated, he stood up to say:  
Unsinkable ships sink  
Unbreakable walls break  
Sometimes the things you think would never happen  
Happen just like that  
Unbendable steel bends  
If the fury of the wind is unstoppable  
I've learned to never underestimate  
The impossible  
So don't tell me that it's over  
Don't give up on you and me  
Cuz there's no such thing as hopeless  
If you believe:  
Unsinkable ships sink  
Unbreakable walls break  
Sometimes the things you think would never happen  
Happen just like that  
Unbendable steel bends  
If the fury of the wind is unstoppable  
I've learned to never underestimate  
The impossible
