

Eminem, My 1st Single

My First Single

Ohh!

Yeah!

So much for first single on this one

[Verse 1]

Shady's the lable

Aftermath is the stable

That the horses come out erra

Of course we're about to stir up

Some shit thick as Mix water with syrup

It's the mr. picked on Christopher Reeves

Just for no reason other than the just to tease him

Cause he was as big as He used to be Superman

Now we're pourin liquor on the crib in his name for him

Eminem you wait till' we meet up again

Fucker I'm kickin your ass for everything you've ever said

It's one for the money two for the fuckin show

Ready get set, let's go

Here comes the buckin buffalo stompin and stampedin up the damn street

Like them buffalo soldiers, I told ya I'm bout' to blow

So look out below, geronimo, motherfuckers is dominos

I'm on a roll, around and around I go

When will I stop I don't know

Tryna pick up where the Eminem Show left off

But I know anything's possible

Though I'm not gonna top what I sold

I'm at the top of my game

That shit is not gonna change

Long as I got Dr. Dre on my team

I'll get away with murder

I'm Michael J. he's like my cock from the day

We keep the mark from the tapes

In a safe, locked them away

Better watch what you say

Just when you thought you were safe

Them fuckers got you on tape

You swear to God you was playin

Whether or not you was little Joshua

Gosh I wish I coulda told you to not do the same

Cause one day it could cost you your name

[chorus]

And this was supposed to be my first single

But I just fucked that up so,

Fuck it, let's all have fun let's mingle

Slap a bitch and smack a ho

This was supposed to be my catchy little jingle

That you hear on your radio

But shit's about to hit the shingle

Oh Oh Oh Oh Oh Oh No

erra Oh Ah

erra Oh Ah

erra Oh Ah

erra Oh Oh Ah Ah

Oh Ah

erra Oh Ah

erra Oh Ah

erra Poo Poo Ca Ca

[Verse 2]

Erra Erra Eric swallowed some generic sleeping pills

And woke up in bed next to his best friend Derick bare naked

chicka chicka chicka ..

And then just turned 16 and used a fake id

To sneak in V.I.P. to see R. Kelly
Hehehehehe, to be so young and naive
Oh what I wouldn't give to live so Kim and care free
Paris and Nikki's parents must be so tickled to cherish
Every picture with their kids with hickeys all over their necks
Hickory Dickory derr digga
Look at me work wizardry with these words
Am I a jerk or just jerk chicken
Or Chicka chicka chicka chicka jer jer jerkin the chain
22 jerks and a jerk circle
Or is it a circle jerk or wait a minute
What am I sayin, allow me to run it back and rewind it
rrrb lemme ask you again
Am I just jerkin the chain
Am I bizerk or insane
Or am I just one of them damn amateurs
Workin the damn camera filmin one of them
Paris Hilton home made pornos
Who keeps tiltin the lens at an angle
Chicka Chicka
Just recently somebody just discovered
Britney and Justin videotapes of them fuckin
When they were just mouseketeers in the Mickey Mouse club
And dusted them and went straight to The Source with them
Cause they coulda sworn someone said Nuh-
And then tried to erase and record over it
But if you listen close enough to it you can hear the
Uh Uh and then the come-to-find-out-it-was-Justin
Sayin "i'm gonna
Come" on this was

[chorus]

supposed to be my first single
But I just fucked that up so,
Fuck it, let's all have fun let's mingle
Slap a bitch and smack a ho
This was supposed to be my catchy little jingle
That you hear on your radio
But shit's about to hit the shingle
Oh Oh Oh Oh Oh Oh No
erra Oh Ah

[Verse 3]

Any opinions or somethin you just wanna get off your chest
And address it about my lyrics I'd love to hear it
All you gotta do is pick up the phone and just dial up this number
It's 1-800-I'm a dick sucker I love to suck a dick
And if someone picks up you can talk all the shit you want about me
Just type in your number back and follow it by the pound key
And I'll be sure to get back
As soon as there comes a day that I fall out with Dre
Wake up gay, make up with Ray (Hey!)
So fuck a chicken, lick a chicken, suck a chicken,
Beat a chicken, eat a chicken like it's a big cock bawka-bi-kaw
Or suck a dick, and lick a dick and eat a dick
And stick a dick in your mouth
I'm done you can fuck off
fucka-fucka-fuck off!

[chorus]
And this was supposed to be my first single
But I just fucked that up so,
Fuck it, let's all have fun let's mingle
Slap a bitch and smack a ho
This was supposed to be my catchy little jingle
That you hear on your radio
But shit's about to hit the shingle
