

# Eminem, One Last Time(Encore) F. Dr. Dre & 50

[Intro- 50 Cent]

Sh Sh...Shady Aftermath HaHa  
G G G-Unit! HaHa

[Chorus- Eminem]

Cause we came here to set this party off right  
Let's bounce tonight  
And if they don't let us in through the front  
We'll come through the side  
Cause I don't ever wanna leave the game  
Without atleast sayin good-bye  
So all my people on my left  
All my people on the right swing one last time  
Get ya ass up for the doctor  
One more time get ya ass up for the doctor  
Come on now here we go cliff hanger  
It's another club banger got ya hangin on the edge of ya seat  
Get on down

[Verse 1]

[Dr. Dre]

Time's up game's over you lose I win  
Bout to show these knuckleheads how to do this here  
Ooh yea new year next phase begin  
Look who's got you goin crazy again  
I'm a trend I set one everytime I'm in  
I go out and just come back full circle again  
You a fad, that means you're somethin that we already had  
But once you're gone you don't come back

[Eminem]

Too bad you're off the map now, radar can't even find you  
We stay on the grind you slip we out grind you  
You walk around mad you let your anger blind you  
We walk around just playin the violin behind you  
Enough with all the pissin and moanin, whinin and bitchin  
Sittin observed, listen you'll learn if you pay attention  
While 10 multi-platinum albums lay the three diamond  
World wide we on the charts with a bullet we're still flyin

[Chorus- Eminem]

Cause we came here to set this party off right  
Let's bounce tonight  
And if they don't let us in through the front  
We'll come through the side  
Cause I don't ever wanna leave the game  
Without atleast sayin good-bye  
So all my people on my left  
All my people on my right swing one last time  
When Dr. Dre says crunk you will get it crunk  
Get it crunk (Crunk crunk crunk)  
And when 50 Cent says jump  
You get on one foot and

50 Cent:

Jump, jump

Eminem:

Jump, jump

[Verse 2]

[Dr. Dre]

The buzz is tremendous we drop you all just sense it  
I don't gotta promote it for you to know the Doc is off the benches

[Eminem]

We keep the party rockin off the hinges  
We ain't showin off, we just goin off popular concensus

[Dr. Dre]

But critics say the Doc is soft, Doc is talk  
The Doc is all washed up knock it off  
Who the f\*\*k is Doc impressin  
Doc is this Doc is that you got the wrong impression  
You must be on the cock of Doc 'cause Doc left you all guessin  
So DJ take the needle and just drop it on the record  
We gonna have this mothaf\*\*ka hoppin in a second (bump, bump!)  
Thats why we always save the best cut last  
To make a scratch and itch for it like fresh cut grass

[Eminem]

Cause we done swam with the sharks wrestle with alligators  
Spoke to a generation of angry teenagers  
Whom if it wasnt for rap to bridge the gap  
Maybe raised to be racist  
who may have never got to see our faces,  
Graced the cover of Rolling stone pages  
Broke down barriers of language and races,  
just call on the cape crusaiders  
and leave it to me and Dre to pass the mic  
And we can play the back and forth all day like the hot potato game  
Thats why we came to...

[Chorus- Eminem]

Cause we came here to set this party off right  
Llet's bounce tonight  
And if they don't let us in through the front  
We'll come through the side  
Cause I don't ever wanna leave the game  
Without atleast sayin good-bye  
So all my people on my left  
All my people on my right swing one last time  
50 Cent come on!

[Verse 3]

[50 Cent]

We make the club jump everywhere we go  
It's no secret everybody know when Dre's involved  
There's plenty money involved

[Dr. Dre]

And plenty honies involved and sunny sunday's and palm trees  
Cali everyday is just another party from the valleys

[Dr. Dre & Eminem]

All the way to them 8 mile alleys

[Eminem]

Let's ralley hands up for the grand finale now raise up out your seat  
Dre's about to speak,  
Blaze a pound of weed six days about the week

[Dr. Dre]

You can catch me in the studio bangin out the beats to  
Provide you with the heat that keep blazin out your speaker

[Eminem]

So never say never 'cause Shady Aftermath together

Along with G-Unit records presents the return of the  
The Doc and Shady no one can do it better  
We tear the club up and leave without a shred of evidence of the

[Chorus- Eminem]

We came here to set this party off right

And if they don't let us in through the front  
We'll come through the side  
Cause I don't ever wanna leave the game
