[Intro]

I told ya'll mothafuckas I was comin back  
What now nigga what now what

[Chorus- Eminem]

One shot two shot three shots four shots  
All I hear is gunshots this is where the fun stops  
Bodies drop hit the floor music's off  
Parties stop, everybody hit the door someone's lickin shots off

[Verse 1- Bizarre]

You bitches is gone I'm dropped in the club  
And I'm tryna run and get my mothafuckin gun  
(Nigga what about your wife)  
Nigga fuck my wife I'm tryna run and save my mothafuckin life  
Oh shit, the shooter's comin'  
Bitches, hoes niggas is runnin  
People shot all over the floor  
And I'm tryna make it to the St. Andrew's door  
Thats the sound of the glock  
Even DJ House fucked around and got shot  
I done messed around and forgot my tec  
I don't see nobody but Fab Five and Hex

[Verse 2- Kuniva]

(Kuniva you aight)  
These niggas is trippin'  
(Where's Bizarre at?)  
I'm tryna slip through the exit and get to where my car is at  
Bitches screamin everywhere and niggas is wildin'  
Two minutes ago we was all jokin and smilin  
This chick is clingin onto me sobbin and sighin  
Sayin she didn't mean to diss me earlier and she cryin  
But it's real and it's on and cats is gettin killed  
So I hugged her and used her body as a human shield  
And she got hit now she yellin  
(Don't leave me!)  
I told her I'd be right back and the dumb bitch believed me  
I squeezed through the back door and made my escape  
I ran and got my 38 I hope its not to late

[Chorus- Eminem]

One shot two shot three shots four shots  
All I hear is gunshots this is where the fun stops  
Bodies drop hit the floor music's off  
Parties stop, everybody hit the door someone's lickin shots off

[Verse 3- Swift]

(Nigga I been tryna call you all day mothafucka where you at?)  
I'm on seven mile what the fuck was that  
Damn somebody hit me from the back  
(With they car?)  
With a gat nigga and my tire is flat  
And I just hit a pole, them niggas some hoes  
(Is you hit?)  
Iono but I can tell you what they drove  
It was a black Mitsubishi  
(Shit thats the clique we beefin wit I swear)  
Man and I was on my way there  
Believe me I'm leavin a carcus today  
I'ma park my car and walk the rest of the way

I'm in the mood to strut, my AK ain't even tuck  
I'ma meet you at the club we gon' fuck these hoes up

[Chorus- Eminem]

One shot two shot three shots four shots  
All I hear is gunshots this is where the fun stops  
Bodies drop hit the floor music's off  
Parties stop, everybody hit the door someone's lickin shots off

[Verse 4- Eminem]

I never seen no shit like this is my life before  
People are still camped out from the night before  
Sleepin outside the door waitin in line  
Still tryna get inside the club to see D12 perform  
The fire marshalls no, the venue's too small  
People are wall to wall three thousand and some odd vans  
And some cum wad from out the parkin lot  
Get into an argument over a parkin spot  
He decides to pull his gun out and let's a few of 'em off  
Missed who he's aimin for six feet away's the door  
In St. Andrew's hall not a stray slidin all over the place  
Sprays one bitch in the face another one of 'em came through the wall  
Before anyone could even hear the first shot go off  
I'm posted up by the bar havin a Mozeltoff  
Bullet wizzed right by my ear damn near shot it off  
Thank god I'm alive I gotta find Denaun  
And where the fuck is Von he usually tucks one on him  
Wait a minute I think I just saw Bizarre  
Nah I guess not, what the fuck oh my god it was  
I never saw him run so fast in my life  
Look at him haulin ass I think he left his wife  
There she is on the ground bein trampled  
I go to grab her up by the damn hand and I can't pull her  
God damn there just went another damn bullet I'm hit  
My vest is barely able to handle it, its to thin  
If I get hit again I can't do it, I scoop Dee  
Follow Bizarre's path and ran through it  
And made it to the front door and collapsed on the steps  
Looked up and I seen Swift shootin it out  
But I can't see who he's shootin it out with  
But Denaun's right behind him squeezin his four fifth

[Chorus- Eminem]

One shot two shot three shots four shots  
All I hear is gunshots this is where the fun stops  
Bodies drop hit the floor music's off  
Parties stop, everybody hit the door someone's lickin shots off

[Verse 5- Kon Artis]

It's Friday night came to this bitch right  
Big ass to my left and Desert Eagle to my right  
I ain't come in this bitch to party I came in this bitch to fight  
Although I can't stay here to fight cuz I'm poppin niggas tonight  
Thats right bitches I'm drunk with revenge  
Shot a bouncer in the neck for tryna check when I get in  
Swift told me to meet him here so its clear that this fucka  
Shoot out the back of his truck goes up in this mothafucka  
So one shot for the money two's to stop the show  
Third's for the bartender there's plenty of shots to go  
(I just wanna know who's drivin a black Mitsubishi)  
He tried to run so Proof shot him in the knee wit a three piece

[Chorus- Eminem]

One shot two shot three shots four shots  
All I hear is gunshots this is where the fun stops

Bodies drop hit the floor music's off  
Parties stop, everybody hit the door someone's lickin shots off
