

# Eminem, Somebody Save Me

Daddy?  
Huh?  
Foods' here  
Kept buyin' and see who gets it  
Come eat  
Alaina, I'm so tired  
Just come eat  
Alaina, I'll be there in a minute, I promise  
Stop  
But wake up  
Shut the door

Somebody save me  
Me from myself  
I've spent so long livin' in hell

Another pill as I start to spiral  
Message to my daughters  
I don't even deserve the father title  
Hailie, I'm so sorry  
I know I wasn't there for your first guitar recital  
Didn't walk you down the aisle  
Missed the birth of your first child  
Your first podcast, lookin' down, sweetie  
I'm so proud of how you turned out  
Sorry that I chose drugs and put 'em above you  
Sorry that I didn't love you enough to  
Give 'em up, how the fuck do  
I not love you more than a pill?  
Lookin' up to the ceilin' from this floor wonder will

Somebody save me  
Me from myself  
I've spent so long livin' in hell  
They say my lifestyle is bad for my health  
It's the only thing that seems to help

Alaina, sorry that you had to hear me fall in the bathroom  
Sorry that I missed your gradu-, wait, Nate, I should just congratulate you  
On bein' a dad to Carter and Liam, look at you  
Little bro, sorry I left you  
Sorry that I'll never get to  
Hold or hug my little nephews  
Stevie, I'm sorry, I missed you  
Grow up and I didn't get to  
Be the dad I wanted to be to you  
Things I wanted to see you do  
This is my song from me to you  
Sorry I gave up, but I'm just so defeated  
God, what the fuck do you want me to do?

Somebody save me  
Me from myself  
I've spent so long livin' in hell  
They say my lifestyle is bad for my health  
It's the only thing that seems to help

I've been starin' at that video of Hailie  
Almost daily of her playin' a guitar  
In hopes maybe that'll give me the power to fight  
But the addict in me's a coward, he told me that I can't do it  
Had a second chance, blew it  
It's like I'm stuck inside an alternate reality, but I know (What?)  
I'll turn it around and be able to

Walk her and Lainie one day  
To the altar as proud as can be  
Right now, I'm just weak  
As I fall further down in this deep hole  
And farther in the ground that I sink  
As they lower me in my coffin, I feel the tears all fallin' down on my cheek

I'm a lost cause  
Baby, don't waste your time on me  
I'm so damaged beyond repair  
Life has shattered my hopes and my dreams  
I'm a lost cause  
Baby, don't waste your time on me  
I'm so damaged beyond repair  
Life has shattered my hopes and my dreams
