Eminem, Time of My Life

When they come like left for day

I bet not in my head

And now I wanna be bigger, bein' here with you

It's not so hard to be

I can see in my dream,I know I'm gonna be better

My friends alway say

[Hook]

My friends alway say..ey..ae.

That every thing will be ok

But it don't always work out that way

Show in my famagam'

Me living in, cuz I'll remember when baby

[Chorus]

I am..,the top of my life

Everything is right, with you

After all that I'd been through(yeah)

I ain't try to loose

This times of my life, with you
