

Eminem, We Made You

Guess Who? You Miss me?... Jessica Simpson sing the chorus

Jessica Simpson ? (Eminem)

(CHORUS)

When you walked through the door

It was clear to me (clear to me)

You're the one they adore, who they came to see (who they came to see)

You're a ? rockstar (baby)

Everybody wants you (everybody wants you)

Player? Who can really blame you (who can really blame you)

We're the ones who (chicka) made you *cough, cough*

(VERSE ONE)

Back by popular demand

Now pop a little zantack or ant'-acid if you can

You're ready to tackle any task that is at hand

How does it feel, is it fantastic, is it grand?

We'll look at all the massive masses in the stands

Shady man? no don't massacre the fans

Damn, I think Kim Kardashians a man

She stomped just cause he asked to put his hands

On her massive glutious maximus again

Squeeze it, then Squish pass it, then to a friend

Can he come back as nasty as he can

Yes he can, can, don't ask me this again

He does not mean to lesbian offend

But Lindsay please come back to seeing men

Samantha's a 2, You're practically a 10

I know you want me girl,

In fact I see your grin - now come on girl

(CHORUS)

When you walked through the door

It was clear to me (clear to me)

You're the one they adore, who they came to see (who they came to see)

You're a ? rockstar (baby)

Everybody wants you (everybody wants you)

Player? Who can really blame you (who can really blame you)

We're the ones who made you

(VERSE TWO)

The enforcer, looking for more women to torture

Walk up to the cutest girl and Charlie Horse her

Sorry Portia, but whats Ellen Degeneres

Have that I don't, are you telling me tenderness?

Well I can be as gentle and as smooth as a gentleman

Give me my ventolin inhaler and 2 zenedrin

And I'll invite Sarah Palin out to dinner then

Nail her, 'Baby say hello to my little friend' Brit forget K Fed lets cut off the middle man

Forget him or your gona end up in hospital again

And this time it wont be for the riddle and binge

Forget them other men, girl pay them little attention

A little bit did I mention, that Jennifer's in love with me John Mayer

So sit on the bench

Man I swear them other guys you give em an inch

They take a mile, they got style but it isn't Slim

(CHORUS)

When you walked through the door

It was clear to me (clear to me)

You're the one they adore, who they came to see (who they came

to see)
You're a ? rockstar (baby)
Everybody wants you (everybody wants you)
Player? Who can really blame you (who can really blame you)
Were the ones who made you

(VERSE THREE)

And that's why? my love
You'll never live without ,
I know you want me girl cause I can see you checking me out
And baby, you know, you know you want me too
Don't try to deny it baby, I'm the only one for you
(Fart)

Damn girl Im beginning to sprout an Alfalfa
Why should I wash my filthy mouth out
You think that's bad you should hear the rest of my album
Never has there been so finesse and nostalgia
Man Cash, I don't mean to mess up your gal but
Jessica Alba put a breast in my mouth brp
Wowzers, I just made a mess of my trousers
And they wonder why I keep dressing like Elvis
Lord help us he's back in his pink Alf shirt
Looking like someone shrunked his outfit
I think he's about to flip
Jessica rest assure, Supermans here to rescue ya
Can you blame me?
You're my Amy, I'm your Blake
Matter fact make me a birthday cake
With a saw blade in it to make my jail break
Baby, I think you just met your soul mate
(Now break it down girl)

(CHORUS)

When you walked through the door
It was clear to me (clear to me)
You're the one they adore, who they came to see (who they came
to see)
You're a ? rockstar (baby)
Everybody wants you (everybody wants you)
Player? Who can really blame you (2x)
Were the ones who made you

So baby, baby
Get down, down, down

Baby, get down, down down
