

# Emirsian, Nameless

In rays of light I clearly saw  
By the rivers dark I will fall  
It took me by surprise  
I came back from where I'd been  
There was nothing left to retrieve  
In the light we're gonna find out who we are  
The nameless without a face  
Will show you how  
For sure you couldn't take it no more  
I came back from where I'd been  
There was nothing left to retrieve  
In the light we're gonna find out who we are  
The nameless without a face  
Will show you how
