

# Emma Andersson, No One Left To Hold

No one left to hold

-

If you have never been alone  
Then you've never felt it burn  
Worse than diseases on this earth  
Will we never ever learn

How will we know  
How will we see  
Where will we go  
When there is no one left to hold

How will we know  
How will we see  
If there is anything to do  
When there is no one left to hold

Can you imagine how it would be  
If you were sick and no one cared  
Praying to God it won't be me  
No one should have to be alone

How will we know  
How will we see  
Where will we go  
When there is no one left to hold

How will we know  
How will we see  
If there is anything to do  
When there is no one left to hold

How will we know  
How will we see  
Where will we go  
When there is no one left to hold

How will we know  
How will we see  
If there is anything to do  
When there is no one left to hold

How will we know  
How will we see  
Where will we go  
When there is no one left to hold

How will we know  
How will we see  
If there is anything to do  
When there is no one left to hold
