

# Emma Andersson, Right Now

Right now

You don't have to try so hard  
To make me feel brand new  
When I'm lying in your arms  
All I need is here with you

There's nothing you'll have to prove  
Never asked you for the stars  
Never tried to catch the moon  
Now I like them where they are

So hear me  
Did I ever whine, did I complain?  
Believe me  
I will always feel the same

Right now  
Everything that I need  
Everything is right here  
Make believe in somehow  
Everything is so right  
So fine  
Right now  
Until the day that I die

Baby take me on a ride  
Everynight and everyday  
Transcend me space and time  
As love will lead the way

So hear me  
Did I ever whine, did I complain?  
Believe me  
I will always feel the same

Right now  
Everything that I need  
Everything is right here  
Make believe in somehow  
Everything is so right  
So fine  
Right now  
Until the day that I die

Right now

So hear me  
Did I ever whine, did I complain?  
Believe me  
I will always feel the same

Right now  
Everything that I need  
Everything is right here  
Make believe in somehow  
Everything is so right  
So fine  
Right now  
Until the day that I die

(Everything that I need) That I need  
(Everything is right here) Right here  
(Make believe in somehow) Somehow

Everything is so right  
So fine  
Right now  
Til' the day that I die
