Emma Bunton, Don't Tell Me You Love Me Anym

Don't tell me you love me anymore
Don't tell me unless you're good and sure

I can't control what my heart is feeling
Want you here, but I need to believe in
Everything that you whisper in my ear
I'm making this real easy for you
You don't love me as much I love you
I'm gonna have to draw the line

Don't tell me you love me anymore
Don't tell me cos I don't need to know
Don't tell me you love me anymore
Don't tell me unless you're good and sure

What's the point of carrying on
What's the point of pretending that my future
Is resting here with you
I'm not prepared to lie to myself for another day
And I don't want to hear it
I'd rather hear nothing from you at all

Don't tell me you love me anymore
Don't tell me cos I don't need to know
Don't tell me you love me anymore
Don't tell me unless you're good and sure

Can't you see
That you never saw the best in me
How could you ever let me go?
Let me know, please
Let me know

Don't tell me you love me anymore
Don't tell me cos I don't need to know (oh-oh-oh-ooh)
Don't tell me you love me anymore (don't say it)
Don't tell me unless you're good and sure

Don't tell me you love me anymore (don't say it)
Don't tell me cos I don't need to know (I really do need to know)
Don't tell me you love me anymore (baby please)
Don't tell me unless you're good and sure (baby, please)

Don't tell me you love me
Don't tell me you love me anymore
(Repeat to fade)
