

Emma Bunton, Free Up Your Mind

Let the music free up your mind
Free up your mind

Hey, you, over there
I know you got a problem, but don't despair
See, me, I had no soul
Til I found myself with a rock and roll

There must be somethin' that you're longing to be
Give in to the rhythm let the music free up your mind

Let the music free up your mind
And it will help you to find
Let the music help you to find
The beat will give you a sign
Let the music free up your mind
Free up your mind

Hey, you, over there
Don't wanna hear the reasons 'cause I don't care
See, me, believe in you
Gotta help yourself if you're gonna do

There must be somethin' you're longing to say
Give in to the rhythm, let the music free up your mind

Let the music free up your mind
And it will help you to find
Let the music help you to find
The beat will give you a sign
Let the music free up your mind
Free up your mind

Hey you
Hey you
Hey you
Hey you, ooo
Hey you
Hey you
Hey you
Free up your mind

Hey, you, over there
I know you got a problem, but don't despair
See, me, I had no soul
Til I found myself with a rock and roll

Rock and roll
Roll, roll, roll, roll, roll, roll, roll, roll
Free up your mind

Let the music free up your mind
And it will help you to find
Let the music help you to find
The beat will give you a sign
Let the music free up your mind
Free up your mind

Repeat

Hey you
Hey you
Hey you
Hey you, oooo

Hey you
Hey you
Hey you

Let the music free up your mind
