Emma Bunton, Spell It O.U.T.

If I spell it O U T
Will you get the message finally
I don't wanna fight you see
But it's the end for you and me
Sorry that it had to be
But that's the reality
Do I have to spell it O U T for you to see

Dream on in your own little world Keep thinking I'm your girl Baby I wish you well But boy the fact remains My story's still the same Hard as it is to tell

I've said it all a thousand times Now I gotta be cruel to be kind

If I spell it O U T
Will you get the message finally
I don't wanna fight you see
But it's the end for you and me
Sorry that it had to be
But that's the reality
Do I have to spell it O U T for you to see

Oh yeah

You don't get what I say
You want it all your way
Hear what you wanna hear
So now I'm showing you
This time we're really through
The writing on the wall is clear

You'll never make me change my mind So I'm gonna be cruel to be kind

If I spell it O U T (O U T)
Will you get the message finally
I don't wanna fight you see (I don't wanna fight, yeah yeah)
But it's the end for you and me
Sorry that it had to be (had to be)
But that's the reality
Do I have to spell it O U T for you to see (do I have to spell it, O U T)

(Yeah) You know I gotta (Yeah-hey) Spell it O U T (Gotta tell you now) End for you and me (You know I gotta) (Mmmm, yeah-hey) Spell it O U T (Gotta hear what I say, yeah) (Gotta hear what I say)

If I spell it O U T (if I spell it O, if I spell it O U T)
Will you get the message finally (finally)
I don't wanna fight you see (don't wanna fight, I'm walking out the door)
But it's the end for you and me (it's the end of you and me)
Sorry that it had to be (sorry that it had, sorry that it had to be)
But that's the reality
Do I have to spell it O U T for you to see (do I have to spell it, O U T)

Spell it O U T Do I have to spell it O U T for you to see
