

Emma Bunton, What Took You So Long

What Took You So Long

Yeah, yeah, yeah

Ohhh talk to me, can't you see

I'll help you work things out

Ohhh don't wanna be your enemy

And I don't wanna scream and shout

'Cos baby I believe in honesty

And men be strong and true

I shouldn't have to say it now baby

That I believe in you

What took you so long

What took you all night

What took you forever to see I'm right

You know I treat you so good

I make you feel fine

You know I'll never give it up this time

No, no, no

Ohhh you touched my heart right from the start

You didn't know what to say (didn't know what to say)

But honey understand when you take my hand

Everything's OK

'Cos baby I believe reality

Is never far away

I've had enough so listen baby

I've got something to say

What took you so long

What took you all night

What took you forever to see I'm right

You know I treat you so good

I make you feel fine

You know I'll never give it up this time

What took you so long (what took you so long)

What took you all night (what took you all night)

What took you forever to see I'm right

You know I treat you so good (I treat you so good)

I make you feel fine (I make you feel fine)

You know I'll never give it up this time

No, no, no

No, no, no, woah

No, no, no

No, no, no, woah

Baby I believe in honesty

And men be strong and true

I shouldn't have to say it now baby

That I believe in you

What took you so long

What took you all night

What took you forever to see I'm right

You know I treat you so good

I make you feel fine

You know I'll never give it up this time

What took you so long (what took you so long)

What took you all night (what took you all night)

What took you forever to see I'm right

You know I treat you so good (I treat you so good)

I make you feel fine (I make you feel fine)

You know I'll never give it up this time

No, no, no
