

# Emma Lahana, Freak You Out

And it goes like this-  
Yeah yeah  
Yeah yeah  
Yeah yeah  
Yeah yeah

I can't tell you why  
But I can't stop thinking about you baby  
Oh yeah  
Don't you think it's time  
I walked around every word you're saying  
Oh yeah (yeah)

Trying hard to figure out  
Tell me what it's all about  
'Cause I don't want to freak you out  
Freak you out  
Freak you out

I want to know  
Know where you're at  
I'm at the front  
But baby you're still at the back  
Oh, can you tell me where it's at  
I gotta know  
Know where you're at  
I'm all alone waiting for you to ask  
Oh, can you tell me where  
Tell me where it's at

It seems like when we talk  
You haven't heard a single word I'm saying  
Oh yeah  
I'm over here so listen up  
Sit back tune in  
Pick it up  
Yeah  
I'm just waiting here

Trying hard to figure out  
Tell me what it's all about  
'Cause I don't want to freak you out  
Freak you out

I'm trying hard to figure out  
Tell me what it's all about  
What it's all about

I want to know  
Know where you're at  
I'm at the front  
But baby you're still at the back  
Oh, can you tell me where you're at  
I gotta know  
Know where you're at  
I'm all alone waiting for you to ask  
Oh, can you tell me where  
Tell me where you're at

Freak you out  
Freak you out  
Freak you out  
Freak you out  
Freak you out

Freak you out  
Freak you out

Didn't I try to let you know  
Didn't I try to tell you so  
Yeah, yeah, yeah

Yeah yeah  
Yeah yeah  
Yeah yeah  
Yeah yeah

I want to know  
Know where you're at  
I'm at the front  
But baby you're still at the back  
Oh can you tell me where  
Tell me where it's at

(I want to know)  
Can you tell me where it's at  
(I want to know)  
Can you tell me where it's at  
(I want to know)  
Can you tell me  
(I want to know)  
Tell me

I want to know  
Know where you're at  
I'm at the front  
But baby you're still at the back  
Oh can you tell me where you're at  
I gotta know  
Know where you're at  
I'm all alone waiting for you to ask  
Oh, can you tell me where  
Tell me where you're at

Freak you out  
Freak you out  
Freak you out  
Freak you out  
Freak you out
