

# EMMA, Trial And Error

Foolish enough  
Brought this upon yourself  
You know how I get down  
(You know how I get down!)  
Let it be now

You're fighting this without a cause  
Helplessly  
Slip into my trenches

Head's down!  
You're slowly learning!  
Don't mess!  
With my best!  
Head's down!  
You're slowly learning!  
Don't mess!  
With my best!

You're fighting this without a cause  
Helplessly  
Slip into my trenches

Foolish enough

You know how I get down  
(You know how I get down!)  
Let it be now

You're fighting this without a cause  
Helplessly  
Slip into my trenches

Slip into my...!  
Hand!

When you're not here  
Don't waste my time!  
Truth will soon arise  
You'll soon realize!  
When you're not here  
Don't waste my time  
Truth will soon arise!  
You soon will realize!
