

Emmy Rossum, Slow Me Down

Rushing and racing and running in circles
Moving so fast I'm forgetting my purpose
Blur of the traffic is sending me spinning
I'm getting nowhere

My head and my heart are colliding - chaotic
Pace of the world I just wish I could stop it
Try to appear like I've got it together
I'm falling apart

Save me, somebody take my hand
And lead me

Slow me down
Don't let love pass me by
Just show me how
Cause I'm ready to fall
Slow me down
Don't let me live a lie
Before my life flies by
I need you to slow me down

Sometimes I fear that I might disappear
In the blur of fast-forward I falter again
Forgetting to breathe, I need to sleep
I'm getting nowhere

All that I've missed I see in the reflection
Passed me while I wasn't paying attention
Tired of rushing, racing and running
I'm falling apart

Tell me, oh won't you take my hand
And lead me

Slow me down
Don't let love pass me by
Just show me how
Cause I'm ready to fall
Slow me down
Don't let me live a lie
Before my life flies by
I need you to slow me down

Just show me
I need you to slow me down

The noise of the world is getting me caught up
Chasing the clock and I wish I could stop it
Just need to breathe, somebody please
Slow me down
