

# Emmylou Harris, Just Someone I Used To Know

(Jack Clement)

There's a picture that I carry  
One we made sometime ago  
When they ask who's in the picture with me  
I say just someone I use to know

Just someone I use to spend some time with  
Just a flame that lost it's glow  
And I don't tell them how lost I am without you  
I say just someone I use to know

Just someone I use to run around with  
Just a friend from long ago  
I don't tell them all the nights I cry without you  
I say just someone I use to know  
I say just someone I use to know
