

Emmylou Harris, Two More Bottles Of Wine

(Delbert McClinton)

We came out west together with a common desire
The fever we had mightha set the west coast on fire
Two months later got trouble in mind
My baby moved out and left me behind
But it's all right 'cause it's midnight
And I got two more bottles of wine

The way he left sure turned my head around
Seemed like overnight she just up and put me down
Ain't gonna let it bother me today
I been workin' and I'm too tired anyway
But it's all right 'cause it's midnight
And I got two more bottles of wine
I'm sixteen hundred miles from the people I know
Been doin' all I can but opportunity sure come slow
Lord I'd be in the sun all day
But I'm sweepin' out a warehouse in west L.A.
But it's all right 'cause it's midnight
And I got two more bottles of wine
