

Emo Side Project, Catherine's Lullaby

Just don't let go, never let go.
(Fall in love)

Are you counting sheep as you fall asleep,
Or are you counting the ones who got away?
Do you miss him as much as he misses you,
And if you swear you love him, then you probably do.
It's only been 5 days short but that's way too long,
Since he's been in your arms.
His lovely eyes are always glued to you.

I'm counting dreams as I fall asleep,
Dreaming of things, I shouldn't be.
Cause I miss her as much as she misses me,
I still claim to her, "you're my everything"
It's only been one month long, but it wasn't my choice,
Since I've heard her voice.
But I swear I won't be able to forget...
