

Emo Side Project, Heavens Waiting

the perfect weather a perfect day
so easily thrown away
didn't mean too, didn't mean too
make the mistakes we made

the perfect life empty of sin
there is no such thing
but i say sorry, i say sorry
another chance to live again

and there's a place where angels sing
where everyone is happy
heavens waiting, heavens waiting
for you to open up your heart

i'll write a letter, to say
sorry for all those days
didn't mean too didn't mean too
make the mistakes i made

and i'm so sorry
i'm always sorry
please forgive me i didnt mean it
and i'm so sorry
i'm always sorry
please forgive me i didnt mean it
and i'm so sorry
i'm always sorry
please forgive me i didnt mean it
and i'm so sorry
i'm always sorry
please forgive me i didnt mean it
and heavens waiting
