

# Emo Side Project, I Don't Care

everytime i wake up you are gone  
i'm broken now, what's the use to go on  
i know they say yeah you'll find someone new  
but they dont know that i only want you

well i don't care, i don't care  
what i have to do to get you back  
i dont care, i don't care  
i'll change to what you want me to be

all the nights that i cried myself to sleep  
i hugged my bear, dont you feel a little bit  
what i feel.. cause i know it's killing me  
i swear to you that you are my everything

i still sing your favorite song  
i still play your favorite game  
i still wish you wanted me  
i still think that you're the same  
but i'm wrong, i'm wrong
