

# Emo Side Project, I Hope You Know, I Care More

i know it's hard to breathe now  
cause it keeps playing in your head  
and i know it's hard to let it go  
but eventually even good things have to end

it's not as hard for me, as it is for you  
but we'll help you make it through  
instead of being sad  
lets just clap our hands and dance  
try to smile

be happy you're alive  
and try to feel inside  
i hope you know  
that we care more than we could ever show  
but i'll try to let you know..

and i have lost someone once before  
so i know how it feels  
and all that i could do was break down  
i was overcome with tears

and it wasnt as hard for you, as it was for me  
but you helped me make it through  
instead of being sad  
we just sang a song and danced  
i couldnt help but smile
